Labels, Swing Tickets and Barcode Printers

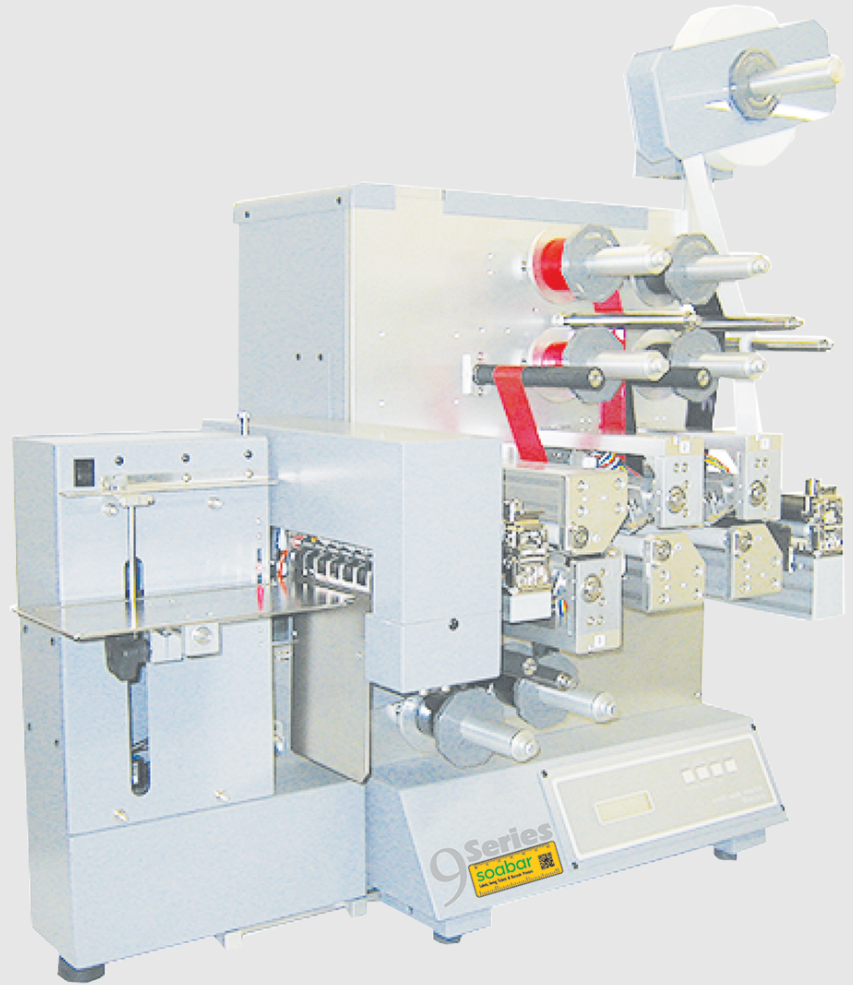

9 Series

The Soabar 9 Series Care Label printer prints 3 colours, 2 on top and 1 on the reverse at widths of upto 100mm wide.

Using either 300 or 400dpi near edge print technology the 9 Series is able to achieve excellent print quality on a variety of materials.

When paired with the ultrasonic cutter the 9 series is the perfect garment labelling solution.

With onsite installation and training you can be sure your staff will be able to operate the printer easily.
